WHY CHOOSE US

THE COR CORE ADVANTAGE: TRUST, QUALITY, AND INTEGRITY

Expertise and Experience

With years of experience in the gold and diamond industry, our team brings unparalleled expertise to every transaction. We combine knowledge with innovation to ensure seamless and secure trading.

Quality Assurance

We deal in only the finest quality gold, diamonds, and precious metals. Our commitment to excellence means that every asset traded meets the highest industry standards for purity, craftsmanship, and value.

Global Reach with Local Expertise

Operating from Dubai, a global trading hub, we offer services to clients worldwide, backed by in-depth knowledge of local markets and international standards.

CHAIRMAN'S MESSAGE

WELCOME TO COR CORE TRADING LLC.

COR CORE Trading, we are guided by a vision to set new benchmarks in the gold and diamond industry. Our journey is built on a foundation of trust, integrity, and a relentless pursuit of excellence. From sourcing the finest precious metals and gemstones to delivering seamless services in trading, mining, refining, and secure transportation, we strive to exceed expectations at every step.

As the Chairman of COR CORE Trading, We are deeply grateful to the esteemed rulers of United Arab Emirates, for the visionary leadership and opportunities provided by their extraordinary cities. Dubai's commitment to fostering innovation, business excellence, and inclusivity has created an environment where companies like ours can thrive. It is with immense gratitude and pride that I extend my heartfelt thanks to leaders and rulers of the UAE. This journey of growth and success would not have been possible without your unwavering support, dedication, and belief in our vision.

To our trusted colleagues and friends, Your guidance, partnerships, and collaboration have enriched our path. Your support has been invaluable in shaping our journey and helping us create a company built on trust and mutual respect.

To my cherished family: None of this would have been possible without your love, patience, and constant encouragement. You have been my strength and inspiration every step of the way.

Mr Shohid Miah
(Chairman)

WE ARE HERE TO HELP

ADDRESSING GLOBAL WATER CHALLENGES

Water is a fundamental necessity for life, yet millions of people around the world face challenges in accessing clean and safe water. At our organization, we are committed to being a beacon of hope for those affected by water scarcity. As part of this commitment, we dedicate 2% of our revenue every month to initiatives that address global water challenges.

By allocating 2% of our resources monthly, we aim to create a meaningful impact and ensure that communities around the world have access to this vital resource. Together, we can tackle water scarcity and build a brighter, water-secure future for everyone.

Building Sustainable Water Solutions for a Brighter Future

You will work alongside our local teams to construct essential water sources such as water pumps. These projects are designed to provide reliable access to clean water, addressing immediate needs while fostering long-term sustainability. Together, we'll then ensure that they continue to work for many years to come, generating opportunities as they go.

Through our focused initiatives, we bring clean drinking water, sustainable solutions, and emergency aid to these regions, transforming lives and empowering communities. Together, we strive to address water challenges and create a more water-secure world. For more details help@corcoregroup.ae.

Chairman Shohid Miah: A Vision for Safe and Sustainable Water Solutions

Chairman Shohid Miah, During my travels across various countries, I have witnessed firsthand the stark realities faced by communities struggling with water scarcity. From arid regions in Africa to remote villages in Asia, the stories of people walking miles to fetch water, of children missing school to help their families, and of farmers battling droughts have left an indelible mark on my heart.

These experiences have deepened my understanding of the critical need for sustainable water solutions and strengthened my resolve to make a difference. Access to clean water is not just a necessity—it is a right that empowers individuals, transforms communities, and paves the way for a better future.

Inspired by these encounters, I am committed to driving initiatives that address water challenges globally, working with our dedicated local teams to ensure that no one is left behind in the pursuit of water security. Together, we can turn the tide and bring hope to those in need.

We are proud to extend our efforts to improve access to clean water and address water scarcity in the following regions:

We began our journey in key regions such as Central Africa, Zambia, India, Sri Lanka, Kenya, Ethiopia, Somalia, South Sudan, Uganda, Bangladesh, Nigeria, Pakistan, Yemen, Sudan, Chad, Haiti, Mozambique, Afghanistan, the Democratic Republic of Congo, Mali, Tanzania, Zimbabwe, and Cambodia. With a deep commitment to making a difference, we have now expanded our reach across the globe, continuing to deliver excellence and impact wherever we go.
